**DEFINITIONS:**

**Deferral: means to delay the commencement of a course.**

**Suspension: means to temporarily delay the enrolment once the course has commenced.**

**Note:**

The College may decide to accept an application from a student for deferral of commencement or suspension of study on the following grounds:

- On medical grounds (a medical practitioner's certificate indicating the student is unable to attend class is required); or
- In exceptional compassionate circumstances beyond the students control, such as serious illness or death of a close family member (independent evidence of the exceptional circumstances is required).
- In the event of the unavailability, in a particular study period, of key or prerequisite units resulting in a significantly reduced study load. This ground is only available if the deferral allows the student to return to the college with a fuller load in a subsequent study period.

**Applications must be submitted at least 10 working days before the requested Deferral/Suspension date.**

If approved, the College will report your deferral or suspension to DIBP which may affect the status of your Visa. If you require more information as to how this action may affect your Visa status, please contact your local DIBP office or phone the DIBP helpline 131 881
