### Informal Complaint Process

1. Any student with a question or complaint may raise the matter with staff of the College and attempt an informal resolution of the question or complaint.
2. Questions or complaints dealt with in this way do not become part of the formal complaint process and will not be documented, recorded or reported on unless the College staff member involved determines that the issue question or complaint was relevant to the wider operation of the College. Informal complaints that are relevant to the wider operation of the College will be recorded in the Feedback Register.
3. Students who are not satisfied with the outcome of the question or complaint are encouraged to register a formal complaint.
4. A student can lodge a formal complaint by filling out the College's Complaints and Appeals Form located on the College's website on the following link  
<https://www.melbournecitycollege.edu.au/linkupload/complaints-and-appeals-Form.pdf>.
5. All Complaints and Appeals will be signed off by the CEO, or delegate

### Formal Complaint Process

1. Students who are not satisfied with the outcome of the informal complaint process, or, who want to register a formal complaint may do so within 20 working days after the date of the event that causes a complaint. To register a formal complaint a student must complete a Complaints and Appeals Form available from Student Services, or via the College's website on the following link <https://www.melbournecitycollege.edu.au/linkupload/complaints-and-appeals-Form.pdf> and submit it to the Student Support Officer and may also request to arrange a meeting with the College's CEO or a delegate. At this meeting the complaint can be raised and a resolution attempted. The complaint will be acknowledged in writing by the College through the Student Support Officer.
2. At the stage of the Complaint meeting, the complaint must be recorded in writing and signed and dated by the complainant and the CEO or a delegate. The complaint is recorded in writing by completing the student Complaint and Appeals Form prior to the meeting or a new document can be prepared and signed during the meeting.
3. The CEO or a delegate will then attempt to resolve the complaint with the student and any other parties who may be involved. The resolution phase must commence within 10 working days of the complaint being lodged in writing.
4. A maximum time of 20 working days from the commencement of the resolution phase will be allowed for the resolution unless all parties agree in writing to extend this time. This period is called the resolution phase.
5. At the end of the resolution phase the CEO or delegate will report the College's decision to the student. The College's decision and reasons for the decision will be documented by the CEO or delegate and placed in the student's file by the Student Support Officer. A copy of this document will be provided to the student, as well as registered on the College's Complaints/Appeals register.
6. Where the College considers more than 60 calendar days are required to process and finalised the complaint, the College will:

9. If a student is dissatisfied with the outcome of the formal complaint process then they may institute an internal appeals process by completing the Complaints and Appeals Form within 20 days of outcome of 'Formal Complaint'. This form is available from Student Services or via the website on: <https://www.melbournecitycollege.edu.au/linkupload/complaints-and-appeals-Form.pdf>.

## Method – Appeals Procedure

### Internal Appeal Process

1. Internal appeals may arise from a number of sources including appeals against assessment, appeals against discipline actions and appeals against decisions arising from complaints. The essential nature of an appeal is that it is a request by a student to reconsider a decision made by the College.
2. A student's enrolment must be maintained whilst an appeal is in progress and the outcome has not been determined.
3. The appeals process is initiated by a student completing the Complaints and Appeals Form available from Student Services or via the website and lodging the completed form to the Director of Studies for assessment appeals and to the CEO or a delegate for any other appeals. The appeal request will be acknowledged in writing by the College by the Student Support Officer.
4. The appeal resolution phase must commence within 10 working days of the internal appeal being lodged in writing.
5. A maximum time of 20 working days from the commencement of the appeal resolution phase will be allowed for the appeal resolution unless all parties agree in writing to extend this time.
6. After a student makes an internal appeal, the College will appoint a person or body to hear the appeal and propose a final resolution. This person or body must not be the same as any person or body that heard the original complaint.
7. Students appealing an assessment or RPL outcome will be given the opportunity for reassessment by a different assessor selected by the College. If the student's appeal is successful, costs of reassessment will be met by the College. The recorded outcome of the assessment appeal will be the most favourable result for the student from either the original assessment or the reassessment.
8. The outcome of the internal appeal and reasons for the outcome will be recorded in writing and signed and dated/ agreed via email by the student and the College and placed in the student file. A copy of this document will be provided to the student, as well as registered on the College's Complaints/Appeals register.
9. If the internal appeal process results in a decision or recommendation in favour of the student, the College will immediately implement the decision or recommendation and/or take the preventive or corrective action required by the decision, and advise the student of that action.
10. Following the internal appeals phase the College will implement the decision as conveyed to the student and undertake any improvement actions arising from the appeal.
11. There are no further avenues within the College for complaints or appeals after the internal appeals process has been completed, however an external appeals process is available.
12. Where the College considers more than 60 calendar days are required to process and finalised the appeal, the College will:

- Inform the appellant in writing as to why more than 60 calendar days are required and
- Regularly update the appellant on the progress of the matter

### External Appeal Process

1. If the matter is still unresolved after the above procedures have been implemented and the internal appeals process exhausted, the College advises the student that he/she has the right to access the external appeals process. Where this is the case, the matter shall be referred to the external independent / third party mediator at no cost to the student.
2. The purpose of the external appeals process is to consider whether the College has followed its student complaint and appeals procedure, not to make a decision in place of the College. For example, if a student appeals against his or her subject results and goes through the College internal appeals process, the external appeals process (if accessed) would look at the way in which the internal appeal was conducted; it would not make a determination as to what the subject result should be.
3. A student may seek assistance from a formal external authority within 10 working days if they are not satisfied with the decision reached. The College supports the following external independent providers for this mediation service at no cost to the students:

#### International Students on a student visa:

The Commonwealth Ombudsman

Phone: 1300 362 072

Web: <https://www.ombudsman.gov.au/complaints/international-student-complaints>

#### Domestic Students:

Victorian Ombudsman

Phone: 03 9613 6222

Web: <https://www.ombudsman.vic.gov.au/Complaints/Make-a-Complaint>

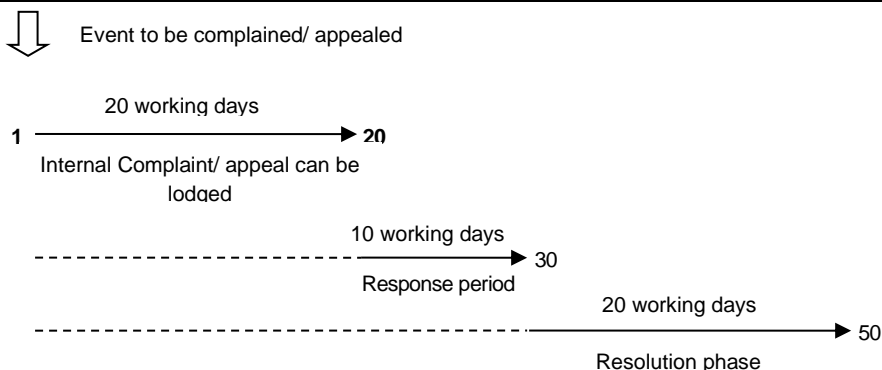

Address: Level 2, 570 Bourke Street, Melbourne VIC 3000

Note: That the Australian Skills Quality Authority (ASQA) is not able to act as the Independent third party for reviewing complaints. ASQA will only consider a complaint if the student includes evidence that they have already exhausted the provider's Complaints and Appeals process.

4. The external appeals procedure will be determined by the independent mediator.
5. If the external appeal process results in a decision or recommendation in favour of the student, the College will immediately implement the decision or recommendation and/or take the preventive or corrective action required by the decision, and advise the student of that action.
6. Following the receipt of the outcome of the external appeal the College must immediately implement the decision, convey the outcome to the student, place a copy of the documentation on the student file and undertake any improvement actions arising from the complaint
7. If an appeal is against the College's decision to report the student for unsatisfactory course progress or attendance (for international students) the College must maintain the student's enrolment (i.e. not report the student for unsatisfactory progress or attendance) until the external appeals process is complete and has supported the College's decision to report.
8. For International students, if an appeal is against the College's decision to defer or suspend a student's enrolment due to misbehaviour or to cancel a student's enrolment the College only

needs to await the outcome of the internal appeals process (supporting the provider) before notifying the ESOS Agency through PRISMS of the change to the student's enrolment.
