

Transfer Between Registered Providers Policy and Procedures

Policy

1. This policy supports and aims to ensure that the College complies with Standard 7 of the ESOS National Code 2018 - Overseas student transfers
2. The College will not knowingly enrol an overseas student seeking to transfer from another registered provider's course prior to the overseas student completing six months of his or her principal course (or for the school sector, until after the first six months of the first registered school sector course), except where any of the following apply:
 - a. the releasing registered provider, or the course in which the overseas student is enrolled, has ceased to be registered
 - b. the releasing registered provider has had a sanction imposed on its registration by the ESOS agency that prevents the overseas student from continuing his or her course at that registered provider
 - c. the releasing registered provider has agreed to the overseas student's release and recorded the date of effect and reason for release in PRISMS
 - d. any government sponsor of the overseas student considers the change to be in the overseas student's best interests and has provided written support for the change.
3. The College has and implements this documented policy and procedure for assessing overseas student transfer requests prior to the overseas student completing six months of their principal course (or for the school sector, until after the first six months of the first registered school sector course). The policy is to be made available to staff and overseas students, and outline:
 - a. the steps for an overseas student to lodge a written request to transfer, including that they must provide a valid enrolment offer from another registered provider
 - b. circumstances in which the College will grant the transfer request because the transfer is in the overseas student's best interests, including but not limited to where the registered provider has assessed that:
 - i. the overseas student will be reported because they are unable to achieve satisfactory course progress at the level they are studying, even after engaging with the College's intervention strategy to assist the overseas student in accordance with Standard 8 of the National Code 2018 (Overseas student visa requirements)
 - ii. there is evidence of compassionate or compelling circumstances
 - iii. the College fails to deliver the course as outlined in the written agreement
 - iv. there is evidence that the overseas student's reasonable expectations about their current course are not being met
 - v. there is evidence that the overseas student was misled by the College or an education or migration agent regarding the College or its course and the course is therefore unsuitable to their needs and/or study objectives
 - vi. an appeal (internal or external) on another matter results in a decision or

- recommendation to release the overseas student.
- c. the circumstances which the College considers as reasonable grounds to refuse the transfer
 - d. a reasonable timeframe for assessing and replying to the overseas student's transfer request having regard to the restriction period.
4. If a release is granted, it must be at no cost to the overseas student and the College must advise the overseas student to contact the Department of Home Affairs (DHA) to seek advice on whether a new student visa is required.
 5. If the College intends to refuse the transfer request, the College will inform the overseas student in writing of:
 - a. the reasons for the refusal
 - b. the overseas student's right to access the College's complaints and appeals process, in accordance with Standard 10 of the National Code 2018 (Complaints and appeals), within 20 working days.
 6. The College will not finalise the student's refusal status in PRISMS until the appeal finds in favour of the College, or the overseas student has chosen not to access the complaints and appeals processes within the 20 working day period, or the overseas student withdraws from the process.
 7. The College will maintain records of all requests from overseas students for a release and the assessment of, and decision regarding, the request for two years after the overseas student ceases to be an accepted student in the student's file.
 8. The College will assess a student's request for transfer to other providers using these Policy and Procedures.
 9. No fees will be charged to the student by the College for granting a Release.
 10. The College will provide a written response to the students' request for transfer, cancellation and Release Letter within 10 working days of the application being submitted.
 11. The College will grant a Release Letter only where the student has provided a letter from another registered provider confirming that a valid enrolment offer has been made.
 12. If a Release Letter is refused by the College, the student will be provided with written reasons for refusing the request. The student will also be informed that the student may appeal the College's decision through the Complaints and Appeals Policy and Procedure available on the College's website on following link: <https://www.melbournecitycollege.edu.au/pdfs/complaints-and-appeals.pdf>
 13. Applying to Transfer between Registered Providers does not prevent students from the requirement to enrol on time.
 14. Non enrolment will not automatically result in a Transfer between Registered Providers; it may however result in the student being reported via PRISMS for failing to enrol.
 15. International students that have studied longer than 6 months of their principal course will use the normal application process for a transfer to another provider, and no release will be recorded on PRISMS and no letters of release will be produced by the College.
 16. The College's decision including the date of effect and reasons to grant or refuse the overseas student's transfer request will be documented on PRISMS.
 17. This policy applies to all College staff, contractors and international students studying with the College or applying to study with the College.
 18. The CEO is responsible for the implementation of the policy and procedures and to ensure that staff are aware of its application and implement its requirements.

Procedure for assessing students wishing to transfer TO the College:

1. The College will not knowingly enrol an overseas student seeking to transfer from another registered provider's course prior to the overseas student completing six months of his or her principal course (or for the school sector, until after the first six months of the first registered school sector course), except where any of the following apply:
 - a. the releasing registered provider, or the course in which the overseas student is enrolled, has ceased to be registered

 6. If the student has completed 6 months of their principle course, then the Application and Enrolment Policy and Procedures will be implemented.

 8. If the student is transferring due to receiving an Australian Government sponsorship, the student will then need to supply written support agreeing to the transfer which will be accepted in lieu of any Release record on PRISMS.
 9. If the student cannot produce satisfactory evidence of a Release, the application process is denied and the student will be informed in writing that the College cannot accept their application at the time. The student will be advised that they are welcome to re-submit their application when the 6 month period of principal course has expired.
 10. A copy of all relevant documents must be placed in the student's file by the Student Administration.
